LENEXA IS ONE OF THE BEST PLACES TO LIVE

Lenexa earned a spot on CNN Money Magazine's "Best Places to Live" list, which ranked the top 100 small cities in the United States in its August issue.

Lenexa, which came in at 26, was the only city in Kansas to make this year's list, which focused on cities with populations of less than 50,000.

The city was praised for its festivals, business base, bioscience companies, and strong job growth.
